

# EXPANDING MaineCare MATTERS

## TO MAINE'S ECONOMY

Maine will receive an additional \$3.1 billion in federal Medicaid dollars between 2013 & 2022 if we expand MaineCare

Federal dollars for unpaid hospital care will be cut by \$18.1 billion nationally between 2015 & 2023—Maine will only make up our share of these cuts if we expand MaineCare

## TO MAINE'S FAMILIES

Over 50% of uninsured residents in Maine would become insured if we expand MaineCare

Expanding Medicaid will create 4,400 jobs right here in Maine

**EXPANDING  
MAINECARE  
WILL  
ALSO:**

## TO MAINE'S HEALTH

- reduce mortality rates
- ensure a healthier workforce
- be a critical safety net for parents who lose their jobs
- improve health services for low-income veterans
- keep Maine tax dollars here in Maine
